ULTRA COMPACT 2.1 SELF-POWERED SYSTEM

Looking for the right solution to a huge range of applications? ANT presents a new family of 2.1 system (active subwoofer+2 full-range tops) encompassing ease of use, rapidity of setup and a dynamic and faithful response for every kind of performance, from home application to AV presentations and small live gigs.

- 2.1 POWERED PA SYSTEM
- 1 ACTIVE SUB + 2 FULL-RANGE SATELLITES
- POWERFUL 3-WAY CLASS D AMPLIFIER
- UP TO 126 DB SPL (FOR BHS 1800)
- DYNAMIC AND FAITHFUL RESPONSE
- ULTRA-COMPACT
- WIDE RANGE OF APPLICATIONS
FROM HOME TO LIVE STAGE

The family is comprised of 3 models in order to meet a vast range of requirements from home application to live stage gigs:

2 SpeakON cables to connect satellites to the sub are included in every model.

The bass reflex subwoofer is the heart of the system, equipped with a Class D amplifier delivering power to the sub itself and to the 2 full-range satellites, providing a dynamic and faithful response wherever your performance space is.
